

Jim Doolittle is the Director for the SC EPSCoR Office and will serve as the Project Administrator. He joined the SC EPSCoR Office in January 2021 bringing 16 years of experience in research administration and grant management at a Carnegie R2-higher research activity institution spanning pre-award, post-award, non-financial compliance, interdisciplinary program management, and technology transfer. Prior to joining SC EPSCoR, Dr. Doolittle was the Associate Vice President for Research Assurance and Sponsored Programs at South Dakota State University leading the pre-award office in addition to his duties in the Division of Research and Economic Development. He has also served as Director of the North-Central Sun Grant Center and is Professor Emeritus in the Department of Agronomy, Horticulture, and Plant Science at South Dakota State University.
